

HORECA PLUS 2023

HOS
RE
CA **20**
23

Somos una empresa de fabricación de frío industrial
especialistas en muebles de frío
 para el canal Horeca y sistemas de dispensing tanto de cerveza como de agua

Nuestra empresa es la
suma de talento, inquietud, equipos y fabricación
 como respuesta a un proceso integral que unifica diseño y técnica, basado en tecnología, visibilidad y frío industrial

Contamos con más de
20 años de experiencia y más de 7.500 m2,
 para ayudar a nuestros clientes a superar sus retos

Innovación, tecnología y equipo humano
 son nuestros valores principales

imagina que puedes
personalizar los
acabados de un
producto entre
diferentes opciones.
bienvenido a nuestra
línea HORECA PLUS*

*este catálogo se complementa con nuestra serie
HORECA line donde podrás consultar los datos
técnicos y opciones de los diferentes productos

-  Evaporador sistema tiro forzado, con recubrimiento anticorrosión.
Fan assisted evaporator, with anticorrosion coating.
-  Evaporación automática del agua de descarche de serie, excepto modelos de equipo remoto.
Automatic, evaporation of defrost water ass standard, except models with remote unit.
-  Aislamiento de poliuretano inyectado, de densidad 40 kg/m3, bajo GWP y cero efecto ODP.
40 kg/m3 density polyurethane insulation, low GWP and zero OPD effect.
-  Control digital de temperatura y descarches, eficiente en la gestión del consumo de energía con display LED.
Energy efficient digial controller of temperature and defrosts with LED display.
-  Temperatura de trabajo a 32°C ambiente, posibilidad de equipo tropicalizado (43°C).
Operating temperature 32°C ambient, possibility of tropicalized group (43°C).
-  Cajoneras inoxidable refrigeradas desmontables sobre guías telescópicas con sistema de autocierre.
Removable stainless refrigerated drawers on telescopic guides with self-closing system.

Pedidos

Los pedidos deberán cursarse por escrito (carta, fax o e-mail). Deberán reflejar las referencias de cada producto, indicadas en la tarifa vigente. Queda reservado a admitir pedidos de aquellos clientes que hayan incumplido anteriores contratos. Las condiciones particulares que se citen en el pedido del cliente quedarán anuladas si no se ajustan a las presentes condiciones generales de venta o que se acepten expresamente.

Precios

Los precios de la presente lista son de venta al público (recomendados) y figuran en Euros. Estos precios, en ningún caso, incluyen la instalación ni la puesta en marcha del material. Todos los precios se entienden sin accesorios.

Transporte y portes

El embalaje será el estándar. Cualquier embalaje o sistema de envío especial que sea requerido expresamente por el cliente, será a cargo de este último. Las mercancías viajan siempre por cuenta y riesgo del comprador. Recomendamos encarecidamente realice el control del estado de la mercancía en el tiempo establecido ya que, de lo contrario, Apice cooling technology S.L. declina toda responsabilidad al comprador. La reclamación por golpes o deterioro de la mercancía originados en el transporte no será aceptada, en ningún caso, si no va acompañada del comprobante de reclamación efectuada por el comprador a la agencia de transporte, dentro del plazo máximo legal de 24 horas después de la recepción de la mercancía.

Devoluciones de material

No se aceptará ninguna devolución del material sin el consentimiento expreso y por escrito de Apice cooling technology S.L. En el caso de la aceptación de una devolución de material, todos los gastos generados, incluidos los portes correrán a cargo del cliente. Los materiales se abonarán de acuerdo con las condiciones del estado de la mercancía, reservándose Apice cooling technology S.L. el derecho a estipular el precio final del abono.

Garantía

Apice cooling technology S.L. se responsabilizará únicamente de los defectos de fabricación, quedando excluidos la manipulación o utilización incorrecta del material por parte del cliente o usuario. La garantía será la establecida según la ley vigente (1 año). Todo material remitido en garantía se facturará y se procederá a su correspondiente abono, una vez remitidas las piezas defectuosas y comprobadas por parte de Apice cooling technology S.L.

Condiciones de pago

Hasta la concesión de crédito a un cliente, todas las operaciones serán abonadas mediante pago anticipado. De no efectuarse el pago de las facturas en los vencimientos acordados, el cliente se hará cargo de los gastos de devolución y/o gastos de demora.

Envío de repuestos

Todos los repuestos se enviarán a portes debidos.

Reserva de dominio

La mercancía es propiedad y dominio de Apice cooling technology S.L. hasta el pago total de la misma por parte del cliente.

Litigio

En este caso serán competentes los Tribunales de Lucena (Córdoba)

Información

Apice cooling technology S.L. se reserva el derecho a introducir, sin previo aviso, las modificaciones que crea necesarias, sin que ello perjudique a las características principales de los productos.

Orders

Orders must be submitted in writing (letter, fax or e-mail). They should reflect the references of each product, indicated in the current rate. It is reserved to accept orders from those customers who have breached previous contracts. The particular conditions that are cited in the customer's order will be canceled if they are not adjusted to these general conditions of sale or that are expressly accepted.

Prices

The prices in this list are for sale to the public (recommended) and are in Euros. These prices, in no case, include the installation or commissioning of the material. All prices are understood without accessories.

Transportation and shipping

Packaging will be the standard. Any packaging or special delivery system that is expressly required by the customer will be the responsibility of the latter. Goods always travel at the buyer's risk and expense. We strongly recommend that you check the status of the merchandise within the established time since, otherwise, Apice cooling technology S.L. declines all responsibility to the buyer. The claim for blows or deterioration of the merchandise originating in the transport will not be accepted, in any case, if it is not accompanied by the receipt of claim made by the buyer to the transport agency, within the maximum legal term 24 hours after receipt of the products.

Material returns

No return of the material will be accepted without the express written consent of Apice cooling technology S.L. In the case of the acceptance of a return of material, all the expenses generated, including the postage will be borne by the customer. The materials will be paid in accordance with the conditions of the state of the merchandise, reserving Apice cooling technology S.L. the right to stipulate the final price of the subscription.

Guarantee

Apice cooling technology S.L. will be responsible only for manufacturing defects, excluding the improper handling or use of the material by the customer or user. The guarantee will be established according to current law (1 year). All material sent under warranty will be invoiced and the corresponding payment will be made, once the defective parts have been sent and checked by Apice cooling technology S.L.

Payment conditions
